

Cornell Hotel Sustainability Benchmarking (CHSB) Index

Enrollment Form

This form is for hotel owners or operators to enroll in the CHSB Index – the world’s leading platform for measuring and comparing hotel sustainability performance.

By enrolling, you gain access to confidential, credible benchmarks to understand how your hotels perform in energy, water, and carbon compared to the market and your peers. CHSB equips you with:

- Trusted benchmarks to assess your performance against peers
- Insightful reports for individual properties and aggregated portfolios
- Ready-to-use data for ESG reporting, investor disclosures, tracking decarbonization progress, and comparing performance across your portfolio.

To see examples of the outputs and deliverables you’ll receive, visit [our website](#).

Benchmarks are available for data from 2019, 2023, 2024, and 2025 (current ongoing cycle). Benchmarking timelines are outlined in [Appendix 2](#).

To enroll, please complete and sign this form and return it to data@greenview.sg. You will then receive the data collection form and invoice for the applicable fees (see fee table in [Appendix 1](#)).
